8321 Dairy Club Herd

**Each 4-H club or FFA Chapter may show one dairy club herd consisting of four animals of any breed or age shown by at least two members of the same club/chapter. No two animals may be shown by the same member unless there are only two members enrolled in that club/chapter. Each club/chapter is allowed one herdsman in the ring. If the membership of the club/chapter is less than five members, two additional members may be borrowed from another club/chapter to show the club herd. No parents or leaders are allowed in the ring during the judging of the club herd. All persons showing the club herd must be 4-H or FFA members.**

**NOTE: To show in club herds, animals must be registered to a minimum of 2 members in the club!**

## 1. Market Livestock

1.1. Participation in the Market Livestock Auction is limited to members of 4-H and FFA clubs.

1.2. Age for 4-H members showing market livestock projects is determined by the age of the member as of January 1st of the 4-H year. All members showing lambs, feeder calves and/or market goat projects must be at least 8 years of age as of January 1st. 8 year old participants are not allowed to show hogs. 8 year old participants are limited to one market livestock project. Members enrolled in the market beef project must be 12 years of age as of January 1st. 4-H members may continue to participate in market livestock projects through age 19, as determined on January 1st. For example, if a member's birthday is January 3, and he/she turns 20, the member is still able to participate during that year, because the age as of January 1 was 19.

1.3. To be eligible to show market livestock, 4-H members must live in Ottawa County, go to School in Ottawa County, or be an active member of an Ottawa County 4-H club. A current YQCA certification is required to be able to participate in Ottawa County Fair Market Livestock activities.

1.4. A member showing at the Ottawa County Fair has the option to weigh-in one project from each species (bovine, swine, sheep, goat), but is limited to showing only two projects at the fair, of which only one can be bovine. If a second bovine project is tagged or weighed-in, the first project will automatically be disqualified for showing and sale at the fair.

For example: if a member weighs-in a market steer, then decides to also tag a calf for a feeder project the market steer will be disqualified the moment the calf is tagged. If a member weighs-in a steer which then becomes unruly, dangerous to handle, sickly etc. that member can then also weigh-in swine and sheep, and decide by June 1 which two projects he/she wants to exhibit at the fair.

1.5. 4-H members are responsible for their project until it leaves the fair. All market projects are expected to be at the fairgrounds for the entire week, unless otherwise decided by the Livestock Committee. Final cleaning of animal pens is not to occur until the animal has left the fairgrounds on the final evening of the fair and the pens must be completely cleaned.

1.6. Adequate housing and facilities must be available as each member is required to feed, care for and train their own animal with guidance and assistance, if necessary. It should be the member's responsibility---with parental guidance---to see that the project is carried out satisfactorily. Members are responsible for the daily care and feeding of their animals while at the fair including maintaining clean animals and pens. Failure to keep pens adequately cleaned may result in forfeiture of premiums.

1.7. Market livestock 4-H members may participate in only one County's fair. Example: If they show market livestock at one of the Ottawa County fairs, they may not show any specie at the Muskegon County or Kent County fair. A 4-H member may show one (1) specie at one(1) Ottawa County fair, and a different specie at another Ottawa County fair, as long as they do not exceed two (2) market livestock projects.

1.8. Participation in showmanship classes is required to be eligible for market classes, and members must show in market classes in order to sell at the auction. If a member has an unruly animal in showmanship or market classes, it will be up to the livestock committee to decide if they are able to sell their project at the sale. Note: Calming agents and/or sedatives of any type are prohibited.

1.9. All market livestock project members will be required to submit a completed notebook (including before and after pictures) in order to be able to sell. The notebook must be verified by the club leader and turned in on Monday by noon of fair week.

1.10. Market livestock auction checks will not be distributed before all invoices from the auction have been paid.

1.11 No fluids other than water, milk, or electrolytes may be offered for free choice consumption to any animal unless directed by a veterinarian. There will be no forced drenching of any fluids to any livestock, unless performed by or under the direction of a veterinarian for medical purposes. Medical treatments will be pre-approved by the livestock committee.

1.12 The livestock committee reserves the right to combine classes if necessary. They will use their discretion and will try to balance classes fairly when doing so.

1.13 Any animal participating in a 4-H weigh-in or event is subject to blood, urine, and/or tissue sampling.

1.14. Coloring agents are NOT allowed above the flank of all species.

1.15. 4-H and FFA animals must be exhibited in the youth division and conform to the health

requirements of the governing fair.

1.16 The livestock committee will decide what market animals, if any, need to be rejected and which members will be dropped due to failure to comply with the rules and regulations.

1.17 All animals MUST be clean and presentable at final weigh-in.

1.18 All market projects except feeder calves, ewe lambs, doe goats and heifers must go to slaughter.

1.19 Showmanship classes shall consist of the following: Junior- 8, 9,10,11 years old, Intermediate - 12, 13, 14 years old; Senior - 15,16,17,18,19 years old. Changes can be made at the discretion of the committee. Showmanship for market beef and dairy beef will be for intermediate and senior only. YQCA Certification is required when youth are entering a showmanship division for the first time.

1.20. Purchasing of animals (by 4H members or families) designated for resale by the auction buyer must be completed and paid for by noon on Saturday of fair week. Intent to purchase an animal must be submitted by noon on Friday. No resale animals will be released to 4H members prior to payment. Payment must be made to Livestock Coordinator.

1.21. Fitting and grooming are the responsibility of the member---all work is to be done by the 4-H members only. Advice and assistance in holding/stabilizing the animal may be given by parents or leaders (Note: This includes no help or advice from professional or outside groomers or open class exhibitors.) The final decision of what is to be allowed will be made by the livestock committee.

Members may help each other if they show livestock at Holland fair.

Exception – parental or leader help for holding and stabilizing of the animals is acceptable for first year Junior (8-11 year old) members only. After the first year, the member is responsible for fitting, grooming and animal preparation without adult assistance.

1.22 Dress codes for all shows and the auction shall be leather shoes or boots (hard toes preferred), neat and attractive slacks or trousers, collared, tucked in and buttoned shirt with sleeves or without sleeves if properly designed (no tank tops or cut off sleeves) without writing or advertising and no hats. While in the barns, shoes must be worn at all times. While working with animals, no open toe shoes are allowed.

1.23 Members will be required at fair weigh-in to present a certificate stating that the required vaccines were administered, and a verification of meat hold status. A vet and/or a parent must sign this certificate. Failure to provide a certificate will disqualify the project.

## 2. Weigh In

2.1. All animals must be castrated and dehorned, with the exception of Boer goats by first weigh-in time. Animals will be checked at first weigh-in day for proper dehorning and castration. In case of horn regrowth after dehorning, maximum horn length allowable is ½". Horns will be checked at final weigh-in at fair time. If not properly done at that time, the animal will be disqualified.

2.2 All market animals must be tagged with the appropriate provided OCF 4-H tag. Hog tags will be distributed and appropriate pictures of the tags in the pig's ears must be submitted to 4-H leaders. Weigh in dates to be determined each year. All animals must be haltered and led across the scale at first weigh in. Parents may assist. All tags not required by law or the fair will be removed at weigh in. If an ear tag falls out, it is the 4-H member's responsibility to notify their leader immediately so arrangements can be made to get another tag. All tags must be present in animal's ears at final weigh in.

## 3. Market Cattle

3.1. All cattle must have an official RFID tag at weigh-in.

3.2. All cattle must be double tied with one neck rope and one halter while at the fair. It is the responsibility of the 4-H members to provide the rope. Double tying means a halter and a neck rope, not 2 halters.
